9. Words and phrases herein shall be construed as in the singular or plural number, and as masculine, feminine or neuter gender, according to the context.

ARTICLE II - GRIEVANCE PROCEDURE

2.1 Definitions

1. **Grievance** - A grievance shall mean only a claim by an employee, a group of employees, or the Association that there has been a violation, misinterpretation, or misapplication of this agreement.
2. **Aggrieved Person** - An 'aggrieved person or grievant' is the employee or employees or the Association making the complaint.

2.2 Purpose

The purpose of this procedure is to secure at the lowest possible level solutions to the problems which may from time to time arise in the interpretation of this agreement as it affects an individual employee, employees, or the Association. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

2.3 Procedure

1. Time Limits - The number of days indicated at each level should be considered as a maximum and every effort shall be made to expedite the process. A grievance must be filed within fifteen (15) school days of the occurrence of the incident or dispute alleged to give rise to the grievance.

The failure of an aggrieved person to initiate or process any grievance within the prescribed time limit shall act as a bar to any further appeal. The failure of a supervisor or administrator to give a decision within the time limits shall permit the grievant to proceed to the next step. Time limits may be extended by mutual agreement, however.

2. Summer Grievance Processing - Timeline designations in this article reading "school days" shall convert to weekdays (Monday through Friday) during the time between the end of the student school year and the commencement of the following student school year.

3. Level One-Immediate Supervisor (Informal) - An employee, group of employees, or the Association shall first discuss a grievance with the immediate supervisor, with the objective of resolving the matter informally. No grievance will be resolved without the Association's prior knowledge.

4. Level Two Immediate Supervisor (Formal) - If, as a result of the informal discussion with the immediate supervisor at level one, a grievance still exists, the aggrieved person may invoke the formal grievance procedure by filing on the form set forth in Schedule A. The grievance form shall be available from the Association representative in each building and said form shall be signed by the grievant and, should the grievant so desire, by a representative of the Association. A copy of the grievance form shall be delivered to the immediate supervisor. Group grievances shall be signed by a representative of the Association.

The immediate supervisor shall indicate his/her disposition of the grievance in writing within five (5) school days of the presentation of the formal grievance and shall furnish a copy thereof to the Association. If the aggrieved person is not satisfied with the disposition of the grievance, or if no disposition has been made within the five (5) school day period, the grievance shall be transmitted to Level Three.

5. Level Three - Superintendent - The Superintendent or his/her designee shall meet with the aggrieved person within five (5) school days of receipt of the grievance. Within ten (10) school days of receipt of the grievance the

Superintendent or his/her designee shall indicate the disposition of the grievance in writing and shall furnish a copy thereof to the Association.

If the aggrieved person is not satisfied with the disposition of the grievance by the Superintendent or his/her designee, or if no disposition has been made within ten (10) school days of receipt of said grievance, the aggrieved person and the Association may transmit the grievance to arbitration.

6. Level Four - Arbitration

(A) If the Association determines that the grievance is meritorious it may submit the grievance to arbitration within fifteen (15) work days of receipt of disposition from the Superintendent or disposition deadline.

(B) Within ten (10) school days after written notice to the Board of submission to arbitration the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a written request for a list of arbitrators shall be made to the American Arbitration Association by either party. The list from the said Association, shall consist of seven (7) arbitrators and the parties shall determine by lot which party shall have the right to remove the first name from the list and alternate striking until one name remains. The person whose name remains shall be the arbitrator.

(C) The arbitrator so selected shall confer with the representative of the Board and the Association and hold hearings promptly and shall issue his/her decision not later than thirty (30) days from the date of the close of the hearings, or, if oral hearings have been waived, then from the date the final statements and proofs on the issue are submitted to him/her. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator in his/her decision shall not amend, modify, nullify, ignore or add to the provisions of the contract. The arbitrator's decision shall be based solely and only upon the arbitrator's interpretation and construction of the meaning or application of the expressed relevant language of the agreement. The decision of the arbitrator shall be transmitted to the Board and to the Association, and shall be final and binding on the parties.

(D) Expenses for the arbitrator's services and the proceedings shall be borne equally by the employer and the Association. However, each party shall be responsible for compensating its own representative and witnesses.

2.4 Rights of Employees to Representation

1. Employee and Association - Any grieved person may be represented at all stages of the grievance procedures by himself/herself, or at his/her option, by a representative selected or approved by the Association.  2. **Long-term Disability**: Provides for 66 2/3% of your monthly salary as a basic benefit should you become disabled. This coverage begins on 1st day of month following employment and after filling out application forms.
 3. **Health and Accident**: District shall provide for full single coverage of health and major medical program after proper application is made and employee reports for work. The terms for this benefit shall included: Medical: \$500/\$1000 deductible; \$1000/\$2000 out-of-pocket maximum; Physicians Visit – PPO \$10; PPO 10% coinsurance after deductible, non-PPO 20% coinsurance after deductible. Prescription Drugs: No out-of-pocket maximum; \$10 generic/\$20 preferred. The Board shall make a monthly contribution of \$75 per month toward the cost of the family plan for eligible spouses and dependents. Employees hired after January 1, 2005, are not eligible for the \$75 monthly contribution. Employees hired before January 1, 2005, who were not receiving the benefit, are not eligible for the \$75 monthly contribution. Spouses hired in the district as of January 1, 2005, who receive family insurance paid in full by the district, will continue to receive that benefit. Spouses hired after January 1, 2005, will be eligible for single insurance. If they desire family insurance the district will apply the premium of two single policies towards the family plan with the difference in cost of family insurance to be paid by the employee.

4. Coverage:

A. District paid insurance premium shall be for twelve (12) consecutive months for all eligible employees as defined above and at the rate determined by the insurance carrier.

B. Coverage shall begin with the first day of the month following employment. The employee must fill out the application forms at time of hiring.

C. Any employee may elect to participate in the health insurance coverage or to decline health insurance coverage. If the employee declines health insurance coverage, they must complete the waiver of coverage form.

17.2 Those employees who work less than 30 hours per week are not eligible for insurance benefits.

17.3 Continuity of Insurance Benefits:

1. Employees who have exhausted their accumulated sick leave and are granted extended leave of absence due to illness, shall continue to have employer contributions toward their hospital and medical insurance to the end of the next month's payroll after expiration of such sick leave. Employees shall have the option to continue participating in the hospital and medical insurance coverage at their own expense. Such employees wishing to continue shall pay the premiums themselves to the employer prior to the billing date. The provisions of this paragraph are specifically made subject to the prior approval of the respective insurance carriers. In no event shall employee-paid contributions be accepted after the end of the school year unless such extension is granted with the permission of the employer.

2. Employees on paid leave shall continue to have District contributions made to their insurance according to the level described in this Article.

3. Employees on an unpaid leave of absence of more than twenty (20) work days will have the option of continuing such benefits by paying the full premium thereof prior to the billing dates. Employees must continue to be qualified to remain in the insurance group and such procedure is acceptable to the insuring companies.

4. The COBRA law of 1986 requires that group health insurance plans allow qualified persons to continue group health coverage after it would otherwise end. Individuals may contact the Central Office for further information on this benefit.
